<p>Getting to school</p>	<p>The best way to get to the school is walking.</p> <p>Public transport schedules:</p> <p>https://www.avanzabus.com/rutas/estepona-malaga/</p>
<p>Accommodation (vídeo)</p> <ul style="list-style-type: none"> - Where to live in town? - Possibility of staying with a family? - Possibility of sharing a flat with other teachers or language assistants? 	<p>-It is advisable to live in a flat near the school or the city centre, or also on the way to the marina, which is also within walking distance from the school.</p> <p>There are numerous rental agencies that you can contact, and also some websites and apps, such as the Idealista app and http://www.enalquiler.com/ or http://www.segundamano.es/</p> <p>Also, once you get to the school, some teachers may help you find a rental apartment (belonging to someone they know...), and there are usually advertisements for flats or rooms to rent for teachers displayed on the notice board, so I would recommend staying at an Airbnb the first week(s) and look for an apartment once you are here.</p>
